Spring/Summer Schedule

Knit-Alongs for Spring and Summer

What is a Knit-Along? A Knit-Along is a group of folks working on the same project with the help, guidance and encouragement of all the other participants.

We have decided to incorporate this popular idea into our Knit-in schedule to allow knitters the opportunity to continue knitting and learning after our regular classes have ended.

Here's how it works:

You call and register for the Knit-along. You must pre-register so that we have enough patterns set aside for each participant. There is no charge for the Knit-along but you must purchase your materials at The Tangled Web in order to participate. Both Projects require that your materials be purchased before the first meeting so that your gauge can be completed.
