Need help with a current knitting project?

If so, weekdays are best but...

We realize that many of you can only come in on the weekend so we ask that you consider the following. Come in early and have all your questions ready. Limit your questions to one. Consider scheduling a private lesson if you require individual attention or if you need to learn a new technique. If you are not sure what your needs are, call the shop before coming and someone will discuss your possibilities. **Above all, be patient.** Chances are you will have to wait for knitting help, especially on the weekend. So be prepared and realize that we are doing our very best to give everyone quick and courteous assistance. Thank you.
