## Winter 2007 Knit-Along Projects

What is a Knit-Along? A Knit-Along is a group of folks working on the same project with the help, guidance and encouragement of all the other participants.

Here's how it works:

You call and register for the Knit-along. You must pre-register so that we have enough patterns set aside for each participant. There is no charge for the Knit-along but you must purchase your materials at The Tangled Web in order to participate. All projects require that your materials be purchased before the first meeting so that a gauge can be completed if necessary.
